Welcome Students and Families
Great things are happening on campus this year!

Dear Parents and Guardians:

We welcome you back to Parkway for a new year of fun and learning. As we extend our partnerships with parents and the community, we continue to grow in our ability to provide a strong academic foundation that prepares all students to become productive citizens in our global society.

Over the summer, many Parkway teachers spent their time attending various professional trainings to build upon their knowledge and development of the Common Core curriculum. Lessons and activities were designed to support each child in reaching his or her own potential. We have also built up our knowledge on Social Emotional Learning to better serve your children with their SEL needs.

We strongly believe that the education of children is a partnership between school and home. To ensure that all students have an opportunity to learn in a safe, productive learning environment at school, we need to have clear guidelines. This handbook has been developed to provide you and your family important information about our school, including expectations and rules. Please read and review this information carefully with your child.

If you have any questions or concerns please feel free to call me at (916) 433-5082.

Sincerely,

Doyal Martin
Principal

**Students are NOT allowed on campus before 8:30**
We understand that absences are going to happen due to illness or other circumstances. However, we also know how important it is to attend school regularly; students who are chronically absent or tardy are far more likely to fall behind academically and be discouraged. Success in school requires that our students attend school regularly and arrive on time. We expect your full cooperation in giving your child the best education possible by making sure he/she comes to school every day. Makeup work is not a substitute for class time. We teach many important concepts every day and many cannot be learned as homework. Good attendance habits are critical.

If your child needs to miss school for part of the day, please make sure he/she attends as much school as possible by attending for at least part of the day. If your child is late to school he/she must sign in at the office and receive a pass before going to the classroom. Likewise, if you need to check your child out of school early for an emergency, please go to the office.

A few things to help support regular attendance:
- Keep a regular bedtime and establish a morning routine.
- Arrange clothes and pack backpacks the night before.
- Go to school every day unless you are truly sick.
- Avoid scheduling vacations or doctor’s appointments when school is in session.
- Talk to teachers and counselors for advice if your children feel anxious about going to school.
- Develop back up plans for getting to school if something comes up.

All students are required to attend school regularly and on time according to state law. All teachers check attendance daily. For the State Register and County Health Department an explanation is required for all absences through a note, a telephone call or a personal visit from a parent/guardian. The school phone number is (916) 433-5082. After an absence, the student must bring a note signed by the parent/guardian explaining the reason for the absence to the attendance office and obtain a readmit slip. This note must have the date(s) of the days absent and the reason for the absence. If a phone call or note is not provided, the attendance record will show “truancy pending”. If a note is not provided within three days, a truancy will result.

These are the ONLY excused absences recognized by the State:
1. …student illness or injury
2. …quarantine under a county or city health officer
3. …medical, dental, optometric, or chiropractic services
4. …funeral services of an immediate family member
   – One day in California
   – Three days out-of-state
5. …exclusion from school for lack of immunizations, limited to five days
Early Dismissal
Early dismissals cause a general disturbance and loss of class time for your child. Please make an effort to schedule appointments after school. Once children have arrived at school, they are not permitted to leave the school grounds without parent permission. If it is necessary for you to take your child out of class early, you must come to the office. All students requiring early dismissal at any time must be picked up from the front office. For your child’s safety, the teacher will not release a child to anyone who has not obtained permission from the office. Adults must be prepared to fill out the appropriate form and show picture identification. Students will not be released to any person(s) not listed on the emergency card.

The following is the procedure taken for excessive absences and unverified absences:

- 1st Truancy letter sent after 3 absences or tardies of 30 minutes or more
- 2nd Truancy letter sent after one additional absence or tardy
- 3rd Truancy letter and SART (Student Attendance Review Team) appointment sent after one additional tardy or absence
- SART (Student Attendance Review Team) hearing and contract completed and signed
- SARB (Student Attendance Review Board) referral after one additional unexcused absence or tardy
- Referral to District Attorney's Office for prosecution

Emergency Cards
Every student is required to have a completed emergency card on file in the office. In case of emergency, we need current names and phone numbers of adults authorized to pick-up students. It is also extremely important that numbers for home, work, cellular, daycare, emergency contacts, and doctors be included so that we can contact the appropriate person in the event of an illness, accident, or other emergencies. No child will be released to any adult not on the emergency card.

Social-Emotional Learning (SEL): The staff, parents, and students at Parkway are embracing Social Emotional Learning as a way to develop and establish positive relationships with each other. SEL has proven to be essential for all staff and students. It is the process through which children and adults acquire knowledge, attitudes, and skills that they need to recognize and manage their emotions. This mindset will support our students in demonstrating concerns for others; making responsible decisions, and handling challenging situations proactively. Most importantly, SEL skills are essential throughout life; including into adulthood as they help to foster success in every aspect of life. The primary focus of socio-emotional learning will be in the areas of self-management, self-awareness, social awareness, relationship skills, and responsible decision-making. SEL at Parkway will be reinforced in classrooms with the Second Step and Restorative Justice Practices.

Second Step: Second Step is a research-based intervention that is taught in every classroom at Parkway and is specifically tailored to grade levels. Second Step teaches students the skills needed to succeed socially and academically. It promotes social-emotional self-regulation while decreasing problem behaviors. It teaches skills that strengthen students’ ability to learn, have empathy, manage emotions, and solve problems effectively. Parkway strongly believes that with the implementation of Second Step we will create a safe and respectable learning environment that promotes school success.

Restorative Justice: Parkway supports a positive school wide climate. We will be incorporating a Restorative Justice process. This is a unique approach to address discipline and conflict resolution in order to build healthy and strong relationships. The Restorative Justice practice will show equal concern and commitment to persons harmed and the persons doing the harm. The process will focus on repairing the harm and making things right by incorporating accountability measures to gain desired outcomes. Restorative Justice emphasizes values of safety, empathy, respect, honesty, acceptance, and accountability.

Student Support Center: Parkway’s Student Support Center is located in Room 13. The school’s Social Worker is on site to help and support families with their needs. We are here to support students and families in school, home and in the community. Our resource center provides support with mental health, medical, and dental needs, and socio-emotional groups. The Student Support Center is here to provide the support needed to assist families and students with an enjoyable school experience and build upon student’s academic success. All resources are strength-based, free, and confidential.
INTERVENTIONS

Conferences
The teacher and principal may conference with students and parents to provide assistance to encourage positive behavior.

Student Contracts
The teacher, parent, principal and student may develop contracts to provide goals. The contract provides the student and parent frequent feedback regarding progress. Positive reinforcement and accountability are emphasized.

Independent Practice
Practicing what has been taught is important to self-esteem. All students have homework. Your child may be given additional work in areas where he/she needs help. Sharing the homework time with an adult can impact student success. Students need supervision and encouragement with their homework.

Tutoring
Several kinds of tutoring and intervention programs are available to students who are identified as being able to profit from it. Peer tutors and cross-age tutoring is also done.

Student Study Team
The Student Study Team (SST) is designed to support parents, teachers and students who are having difficulty. The student may have an emotional or learning problem that needs special attention. The SST is made up of volunteering teachers, the school psychologist, and the principal. Other staff members who may participate include the school nurse, resource teacher, and speech/language specialist. Parent participation is key to the SST process. If the parent is unable to attend the SST meeting for his/her child, then a second meeting may be scheduled with the principal.

District Hearings
If a student has a serious and on-going adjustment problem in school, despite repeated efforts by the school staff and the student's parents to resolve these problems, the student and his/her parents will be required to attend a district hearing. As a result of this hearing, a determination will be made as to whether the child should remain at his regularly assigned school or be provided with an alternative educational setting at another educational facility.
SPECIFIC POLICIES

Food
Food from the cafeteria is not allowed to leave the cafeteria. Students should not exchange food, as there are unknown allergies that students may have. Students have assigned tables. Soda, Taki’s (or Hot Cheetos), and excessive candy are not allowed in student lunches.

Cell Phones
Students are not permitted to use cell phones while on campus. Cell phones must be turned off or on “silent” mode. They should not be seen or heard. If a staff member sees or hears a cell phone during instructional time, recess, or any other time on campus, the student’s phone will be immediately confiscated and turned in to the office.
- First Offense: Student may pick up the phone from the principal after school.
- Second Offense: Parent must come to school to collect the phone. Parent must sign a statement of understanding regarding cell phone policy.
- Third Offense: Student will no longer be allowed to bring a cell phone to school

INFRATIONS

LEVEL ONE INFRINGEMENTS

Teachers are expected to address Level One Infractions through classroom management strategies and by contacting the student’s parent or guardian as needed. Before and After School

Your child's safety is our top priority

Time:
Please make sure your child does **not come to school prior to 8:30 a.m.** There is no teacher supervision before that time. Students must be picked up by 3:00 p.m.

**Breakfast and Lunch Programs**
Free breakfast is served from **8:30am-8:50am**. If you are new to Parkway you must complete at Free/Reduced application for us to maintain our 100% free breakfast and lunch status.

**New Beginnings**
The New Beginnings after school program takes place in Phoenix Park. This program is sponsored by the 21st Century Grant and is designed to enhance the social and academic skills of residents residing in the Phoenix Park Community.

**Headstart Preschool Program**
A Headstart Preschool Program is located at Parkway Elementary School. All interested parties need to contact the Preschool Office at 277-7152.

**Walk & Ride:**
At the end of the day classroom teachers monitor their students as they line up and proceed to walk to the front of the school. Students that are picked up by parents need to wait for their parent in a place agreed upon by your family. After school there is very limited parking and you may want to park on the street to avoid traffic. Never encourage your children to cross the street alone unless they are in a crosswalk and mature enough to cross the street safely. It is very hard for bus drivers and busy parents to see little ones darting across the street. By law, bike riders should always wear a helmet and walk their bikes on campus. Lock up your bike and follow the rules of the road!

**School Bus:**
Several school buses arrive at the front of the school. Please, do not park in bus loading zones at any time. Watch for flashing red lights on the school buses. You must stop when the lights are flashing even if the bus is parked at the curb.
- Students are to ride only those buses to which they are assigned and normally take to and from school.
- Students are to be at their bus stop a minimum of five (5) minutes before the scheduled pick up time.
- Students are to line up in an orderly manner at the bus stop. **Pushing, shoving, fighting, standing in the street, property damage or other dangerous conduct will not be tolerated.**
- Students are to form a single line and remain at a safe distance from the edge of the roadway to permit normal traffic flow and for buses to approach safely.
- Students are to board and exit buses in an orderly manner without pushing or crowding.
– Students are to sit in seats and areas assigned by the bus driver.
– Students will remain seated facing forward in their seats at all times. Legs, feet or other objects are not to obstruct the aisle.
– Students are to remain seated while the bus is in motion.
– Students will always exit through the front door of the bus and never through the emergency doors or windows, except in an emergency and unless otherwise directed by the diver.
– Students will cross roadways in front of the bus (all grades) and escorted by the driver (Grades Pre-K - 8 inclusive).
– Students will be respectful and courteous to the driver and other staff at all times.
– Students will identify himself or herself to the driver when requested to do so.
– Students will not smoke or light matches on the school bus at any time.
– Students will not fight, create excessive noise, litter, tamper with equipment or deface property (cut seats, etc.).
– Students are not permitted to eat or drink on the bus.
– Students are not to possess lighting devices, alcoholic beverages, drugs, glass containers, live animals/insects, explosive devices, weapons or pressurized containers (hair spray, perfume, paint, etc.).
– Students are to wear shoes at all times. Athletic shoes with metal cleats must be carried.
– Students will not use abusive language or gestures on or near the bus.
– Students will never extend any part of their body or any of their possessions out of the window of the school bus.

**MISCONDUCT CITATION**

This citation process is the driver’s Pupil Management tool for students/passengers who do not follow the rules for riding the bus. Drivers will do his/her best to observe any student misconduct, rather than to just take the word of other students when issuing citations. This document is a three (3) part form with copies that are given or sent to:

1. WHITE: The Parent/Guardian
2. YELLOW: The Site Administrator/Principal
3. PINK: Driver/Transportation File

**Tardies**

Students are considered tardy if they arrive after the first bell. They must then report to the office for a pass to class. Excessive unexcused tardies will result in a letter home and mandatory make up time for students to catch up missed work.

If you are late in picking up your child, he/she will be sent to the office to wait. If a child is left neglected in the office after an hour, the authorities may be contacted. Children are not allowed to play on the school grounds after school unless they are involved in after school activities or a parent/guardian is watching them. If you have difficulty getting to school on time, please, notify the front office. For early dismissals, students will only be released to authorized persons who are listed on the emergency notification card.

![Families and Schools as a Team](image)

When schools and families work together, children are more likely to feel successful. We welcome and appreciate family participation at Parkway Elementary. The most impacting part of a child's success in school is the participation of a parent or caregiver. Grandparents and other members of the extended family can also make a strong impact.

**Classroom Visits**

Parents/Guardians are welcome to visit their child’s classroom. Due to unforeseen changes in a teacher’s schedule, it is recommended that parents/guardians make arrangements with the teacher prior to the visit. Visitors are required to sign in and return the visitor badge when they leave.
Adult Expectation: Any adult behavior that interferes with the discipline, good conduct, and lawful performance of school activities may result in a withdrawal of consent, for 14 days, to remain on campus in accordance with Penal Code Section 626.4(a). This includes any conduct that disrupts classwork or extracurricular activity or involves substantial disorder (Education Code 44811).

Home Visits – Home visits help us to build trust and develop better communication between home and school. Usually under 30 minutes, we want to learn about your hopes and dreams for your child so we can help support your family.

School Site Council - The School Site Council (SSC) is a school community’s representative body, made up of school staff, parents/community members, and at the secondary level, students. The primary responsibility of the SSC is to participate in the development of the School Plan for Student Achievement, and evaluate the effectiveness of programs by monitoring the use of Title I and other supplemental funding available to the school site.

English Language Advisory Committee (ELAC) – ELAC is designed to provide parents of English learners the opportunity to:

1. Participate in the school’s needs assessments of students, parents and teachers.
2. Advise the principal and school staff on the school’s program for English Learners.
3. Provide input on the most effective ways to ensure regular school attendance.
4. Advise the school based on the annual language census (R-30 Form).
5. Advise the School Site Council on the development of the School Improvement Plan, including expenditures of LCFF monies to support English learners.

Student Success Team (SST) Meetings – A parent or teacher may ask for an SST meeting if there are attendance, academics, behavior, or social emotional concerns. Parents and the team will work together to create a plan for support and follow-up on the progress with another meeting.

Back to School Night & Open House – These events offer opportunities for students to ‘show-off’ their work. Often, students will present their learning and surprise you with how much have learned.

All Pro Dad – Love and lead your family well. Be a hero to your kids. Join us in the morning on the last Friday of every month.

Parent University - Our Parent University invites all parents to join and support the wonderful things they do for our students. They have an important voice in decision-making at our school, and we value their perspective as we work together.

Family School Partnership Act: ASSEMBLY BILL 250-(EASTIN), which went into law on January 1, 1995, requires employers of 25 or more employees to allow parents to use earned time off to visit their children's schools. Any Parent or Guardian of children in grades K-12 is entitled to take vacation, compensatory time, personal leave or other earned time off for the purpose of visiting their child's school during school hours. Each employee is allowed to take up to 40 hours per school year for the purpose of participating in school activities. The provisions of the law include a limitation of 8 hours in any calendar month of the school year. Prior to taking the time off, the employee must give the employer reasonable notice of the planned absence. Upon
request by the employer, the employee must show verification of the school visit (date and time stated).

**Medication**

Education Code 49423 states: "Notwithstanding the provisions of section 49422, any pupil who is required to take, during the regular school day, medication prescribed for him/her by a physician may be assigned by the school nurse or other designated school personnel if the school district receives (1) a written statement from such physician detailing the method, amount, and time schedule by which such medication is to be taken, and (2) a written statement from the parent or guardian of the pupil indicating the desire that the school district assist the pupil in the matters set forth in the physician's statement"

♦ We must have written permission from the doctor, on a “Administration Of Medication” form.
♦ Parent and doctor must sign “Administration of Medication” form, available in the office.
♦ Medicine must be in a clearly labeled childproof prescription bottle.
♦ Medication is to be brought to the office immediately upon entrance to the school grounds. Students may never keep medication in their desks, lunch boxes, or back packs.
♦ Teachers may NOT keep medications in their desks.

By law, students must not bring "over the counter medicine" such as aspirin, Tylenol, throat lozenges, inhalers, cough drops, etc. to school.

**DRESS CODE**

Children should come to school dressed in clean, comfortable clothing which allows them to participate in the many types of activities that occur during the elementary school day. Appearances should reflect that children are in school, ready to work and learn.

No dress code can itemize every item that is unacceptable for school; however there are certain guidelines for good decision–making daily apparel. In all cases students are to wear clothing that covers all parts of the body from neck to mid thigh. Students may wear sleeveless clothing, but shoulders must be covered. All pants, slacks, jeans, shirts, and shorts shall remain at the top of the waist. (No Sagging) At no time should any under garment be visible. Student dress should reflect respect and pride in each individual student and the school community.

**The following clothing is NOT ACCEPTABLE school attire:**

- Clothing with offensive language/slogans
- Gang related colors or symbols
- Makeup is NOT appropriate
- Baggy, excessively oversize or sagging clothing
- Spaghetti strap tops
- Heeled, cleated, spike or thong type footwear
- Hats are not to be worn indoors

Grading, Progress Reports and Report Cards

Report cards will be issued on a trimester basis for all students grades K-6. The report card is aligned to the California Standards and provides parent(s)/guardian(s) information regarding their child’s progress towards meeting the California Standards in Language Arts and Mathematics. Progress is reported in five levels: 4-Exceeds Standard, 3-Meets Standard, 2-Approaching Standard, 1-Minimal Progress.

Progress in other subjects, social skills and work habits is reported as outstanding, satisfactory and need improvement. Report cards are given out in December, March and June. If a student is not making progress towards mastering the Standards, a progress report will be sent out by the teacher to indicate areas of deficiency. Progress will be discussed at the parent-teacher conferences in the fall and spring. Additional conferences may be scheduled at any time.

Reporting School Crime

SCUSD and Sacramento City Police Dept. provide Student Crime Watch. The number is for anyone wishing to report crimes at school or suspected truants. The phone number is 643-7444. It is a 24 hour recorded line; callers may remain anonymous.

Parkway is an elementary school serving children in pre-school and kindergarten through sixth the grade. The following is a list of programs we provide:

**The Resource Specialist Program (RSP)**

Students in RSP have an Individual Education Plan designed to meet their specific needs.

**Speech and Language Specialist**
The speech and language specialist evaluates the areas of language, articulation, fluency and voice. If a child qualifies for services, the specialist provides therapy.

**Special Day Class**
Our school provides special education services for students in a self-contained classroom designed to meet their needs as identified in their Individual Education Plans.
